RESULTS

Securities Settlements

The firm has negotiated substantial recoveries and corporate governance changes for its clients. The following is a selection of significant results in securities litigation:

In Re: WorldCom, Inc. Sec. Litig., 02cv3288 (S.D.N.Y.). As counsel to court-appointed bondholder representatives the County of Fresno, Calif., and the Fresno County Employees' Retirement Association, Berman DeValerio helped a team of lawyers representing the lead plaintiff, the New York State Common Retirement Fund, obtain settlements worth more than \$6.13 billion as of July 26, 2005.

In Re: Bristol-Myers Squibb Sec. Litig. (Bristol-Myers 2), 02cv2251 (S.D.N.Y.). Berman DeValerio represented the Fresno County Employees' Retirement Association and the Louisiana State Employees' Retirement System as co-lead plaintiffs, negotiating a cash settlement of \$300 million in July 2004. The settlement was the largest by a drug company in a U.S. securities fraud case.

In Re: El Paso Sec. Litig., H-02-2717 (S.D. Tex.). Representing the Oklahoma Firefighters Pension and Retirement System as co-lead plaintiff, Berman DeValerio helped negotiate a memorandum of understanding to settle claims against the defendants for \$285 million, including \$12 million from auditors PricewaterhouseCoopers. The court granted final approval of the settlement on March 9, 2007.

In Re: Digital Lightwave Sec. Litig., 98-152cvT-24C (M.D. Fla.). The Boston office acted as co-lead counsel and the Florida office acted as liaison counsel in negotiating a settlement that included changing company management and strengthening the company's internal financial controls. The class received 1.8 million shares of freely tradable common stock that traded at just below \$4 per share when the court approved the settlement. At the time the shares were distributed to the members of the class, the stock traded at approximately \$100 per share and class members received more than 200% of their losses after the payment of attorneys' fees and expenses. The total value of the settlement, at the time of distribution to the class, was almost \$200 million.

In Re: Bristol-Myers Squibb Sec. Litig. (Bristol-Myers 1), 00cv1990, (D.N.J.). The firm negotiated a \$185 million partial settlement with Bristol-Myers and Charles A. Heimbold, Jr., the company's former chairman and chief executive officer. The company also agreed to implement corporate governance reforms. The settlement agreement received final court approval on May 11, 2006.

In Re: Symbol Technologies, Inc. Sec. Litig., 2:02cv01383 (E.D.N.Y.). Berman DeValerio represented the Municipal Police Employees' Retirement System of Louisiana as co-lead plaintiff, obtaining a \$139 million partial settlement in June 2004. Subsequently, Symbol's former auditor, Deloitte & Touche LLP, agreed to pay \$24 million. The settlement was approved by the court on Sept. 12, 2006. Lead plaintiffs continue to prosecute claims against individual defendants.

In Re: Lernout & Hauspie Sec. Litig., 1:00cv11589 (D. Mass.) and Quaak v. Dexia, S.A., 03-11566 (D. Mass.). As co-lead counsel, Berman DeValerio negotiated the then third largest settlement ever paid by accounting firms in a securities class action – a \$115 million agreement with the U.S. and Belgian affiliates of KPMG International – to settle claims of accounting malpractice. The case stemmed from KPMG's work for Lernout & Hauspie Speech Products, a software company driven into bankruptcy by a massive fraudulent scandal. The firm also reached an additional settlement worth \$5.27 million with certain of Lernout & Hauspie's former top officers and directors. In the related Quaak case, the firm has also negotiated a \$60 million settlement with Dexia Bank Belgium to settle claims stemming from the bank's alleged role in the fraudulent scheme at Lernout & Hauspie. The Dexia settlement was granted final court approval in June 2007. This brings the total value of the settlements to more than \$180 million.

In Re: Prison Realty Sec. Litig., 3:99cv0452 (M.D. Tenn.), (In Re: Old CCA Sec. Litig., 3:99cv0458). The firm represented the former shareholders of Corrections Corporation of America, which merged with another company to form Prison Realty Trust, Inc. The action charged that the registration statement issued in connection with the merger contained untrue statements. The firm countered arguments that the class' claims of securities fraud were released in prior litigation involving the merger and overcame motions to dismiss. It negotiated a global settlement of approximately \$120 million in cash and stock for this case and other related litigation.

Oracle Cases, Coordination Proceeding, Special Title (Rule 1550(b)) No. 4180 (Cal. Sup. Ct., SM Cty.). In this coordinated derivative action, Oracle Corporation shareholders alleged that the company's CEO, Lawrence J. Ellison, profited from illegal insider trading. Acting as co-lead counsel, the firm reached a settlement under which Mr. Ellison would personally make a charitable donation of \$100 million over five years in Oracle's name to an institution or charity approved by the company and pay \$22 million in attorneys' fees and expenses associated with the prosecution of the case. This innovative agreement, approved by a judge in December 2005, benefited Oracle through increased goodwill and brand recognition, while minimizing issues that would have been raised by a payment from Mr. Ellison to the company, of which he was a large shareholder. In addition, the lawsuit resulted in important changes to Oracle's insider trading policies that decrease the chances that an insider will trade in possession of material, non-public information. Under the agreement, Mr. Ellison denied any alleged wrongdoing and the parties acknowledged that the settlement did not constitute an admission of wrongdoing.

In Re: Philip Services Corp. Sec. Litig., 98cv0835 (S.D.N.Y.). As co-lead counsel, Berman DeValerio negotiated a total \$79.75 million settlement with the bankrupt company's former auditors, top officers, directors and underwriters. The settlement agreement was announced in July 2005 and the Court granted final approval on Jan. 7, 2006.

Ehrenreich v. Witter, 95cv6637 (S.D. Fla.). The Florida office acted as co-lead counsel in a case involving Sensormatic Electronics Corp., which resulted in a settlement of \$53.5 million approved in 1998. It was one of the largest class action settlements in the state of Florida.

In Re: Thomas & Betts Sec. Litig., 2:00cv2127 (W.D. Tenn.). The firm served as co-lead counsel in this class action, which settled for more than \$51 million. In Re: Enterasys Networks, Inc. Sec. Litig., C-02-071-M (D.N.H.). Berman DeValerio acted as sole lead counsel in a case against Enterasys Networks, Inc., in which the Los Angeles County Employees Retirement Association was lead plaintiff. The company settled in October 2003 for \$17 million in cash, stock valued at \$33 million and major corporate governance improvements that opened the computer networking company to greater public scrutiny. Changes included requiring the company to back a proposal to

eliminate its staggered board of directors, allowing certain large shareholders to propose candidates to the board and expanding the company's annual proxy disclosures. The settlement received court approval in December 2003.

Giarraputo v. UNUMProvident Corp., 2:99cv00301 (D. Me.). A member of the executive committee representing plaintiffs, Berman DeValerio secured a \$45 million settlement in a lawsuit stemming from the 1999 merger that created UNUMProvident. The firm also recovered \$20 million from Coopers & Lybrand, Centennial's auditor at the time. In addition, the firm recovered \$2.1 million from defendants Jay Alix & Associates and Lawrence J. Ramaekers for a total recovery of more than \$35 million for the class.

Wall Street's expectations. The firm negotiated a \$30 million settlement, which received final approval in March 2003.

In Re: Valence Sec. Litig., 95cv20459 (N.D. Cal.). The California office served as co-lead counsel for the class, litigating against a Silicon Valley-based company that overstated performance and development of an allegedly revolutionary battery technology. The firm, representing the Florida State Board of Administration, was appointed sole lead counsel in August 2001. Allegations of serious fraud arose shortly after the collapse of Critical Path's stock price and certain former officers were indicted for stock fraud. The difficulties facing the lead plaintiff related to marshalling all available resources to secure a recovery for the class as Critical Path teetered on the edge of bankruptcy. Following negotiations, the case settled for \$17.5 million. The settlement was approved in June 2002.

Antitrust Settlements

Over the past two decades, Berman DeValerio has held leadership roles in scores of complex antitrust cases, negotiating substantial settlements for its clients. These include:

In Re: Foreign Currency Conversion Fee Antitrust Litig. (MDL 1409) (S.D.N.Y.). The West Palm Beach office, as head of discovery against defendant Citigroup Inc., played a key role in reaching a proposed \$336 million settlement. The agreement settles claims that the defendants, which include the VISA, MasterCard and Diners Club networks and other leading bank members of the VISA and MasterCard networks, violated federal and state antitrust laws in connection with fees charged to U.S. cardholders for transactions effected in foreign currencies. The proposed settlement is subject to final court approval.

In another case involving generic drug competition, Berman DeValerio, as co-lead counsel, helped secure an \$80 million settlement from French-German drug maker Aventis Pharmaceuticals and the Andrx Corporation of Florida. The state attorneys general of New York and Michigan joined that case in support of the class.

In Re: Toys “R” Us Antitrust Litig., MDL 1211 (E.D.N.Y.). PARTNERS

Norman Berman

In 1982, Norman Berman co-founded Berman DeValerio & Pease, LLP, a predecessor to Berman DeValerio. For the past 25 years, he has focused his practice principally on the complex litigation of cases filed under the federal securities and antitrust laws.

Mr. Berman currently serves as one of the lead attorneys on the ongoing Carlson v. Xerox Corp. litigation. Representing the Louisiana State Employees' Retirement System, Berman DeValerio is co-lead counsel in the case, which alleges that Xerox, several of the Company's top officers and its auditor, KPMG LLP, engaged in a scheme to report false and misleading financial results during the four-year class period.

During the course of his career, Mr. Berman has litigated numerous cases to successful resolution, recovering many millions of dollars on behalf of defrauded investors. He was recently among the lead attorneys in the ICG Communications, Inc. and Philips Services, Corp. class actions. In the class action against ICG Communications, he helped to successfully secure an \$18 million settlement. Co-lead plaintiffs in the case alleged that ICG executives misled investors and misrepresented ICG's growth, revenues and network capabilities throughout the class period. In the case against Philip Services, Mr. Berman assisted in negotiating a \$79.75 million settlement. To date, that settlement includes the largest recovery ever obtained from a Canadian auditor.

Mr. Berman has acted as trial counsel in a number of successful cases, including Hurley et al v. Federal Deposit Insurance Corp et al, where the court entered an \$18 million judgment against the failed First Service Bank for Savings and ICN Securities Litigation, which settled after trial for more than \$14.5 million in 1996. The trial team's work in ICN prompted positive judicial comment.

Prior to co-founding Berman DeValerio & Pease, LLP in 1982, Mr. Berman was associated with the Boston-based general practice firms Barron & Stadfeld, P.C. and Harold Brown & Associates.

Mr. Berman graduated from Boston University in 1970 and from Suffolk University Law School in 1974. While in law school, he was a member of the Public Defenders Group, and following law school, an intern with the Massachusetts Defenders Committee.

Mr. Berman is co-author of a chapter on expert testimony in a handbook on Massachusetts Evidence published by Massachusetts Continuing Legal Education (MCLE). He is AV rated by Martindale-Hubbell.

Mr. Berman is admitted to practice law in the Commonwealth of Massachusetts and the state of Connecticut and the U.S. Supreme Court.

Jeffrey C. Block

A partner in Boston, Jeffrey C. Block focuses his practice on securities litigation and is a member of the case evaluation and monitoring team for institutional clients. He is also a main point of contact for many of the firm's public fund clients, including the Los Angeles County Employees Retirement Association, the Illinois State Board of Investment and the Teachers' Retirement System of Louisiana.

Mr. Block joined the firm in 1995 and was named partner in 1997. He is currently one of the firm's lead attorneys in the Fannie Mae Securities Litigation, a class action alleging that Fannie Mae, its three most senior officers and outside auditors had intentionally misapplied accounting rules and engaged in other misconduct to distort financial results. The Ohio Public Employees Retirement System and State Teachers Retirement System of Ohio are lead plaintiffs in the case.

Mr. Block has worked on numerous cases as a lead attorney, such as the Lernout & Hauspie, Bristol-Myers, Symbol Technologies and Philip Services Corp. class actions. In the Lernout & Hauspie case, the case team negotiated what was then the third largest settlement ever paid by an accounting firm in a securities action — a \$115 million agreement with the U.S. and Belgian affiliates of KPMG International. Mr. Block represented the Louisiana State Employees' Retirement System in Bristol-Myers Securities Litigation, in which the firm recovered \$300 million on behalf of shareholders. In addition, in the Philip Services Corp. case, Mr. Block and the case team negotiated a total \$79.75 million settlement. To date, that settlement includes the largest recovery ever obtained from a Canadian auditor.

Prior to joining Berman DeValerio, Mr. Block was associated with the New York law firm of Pomerantz Haudek Block & Grossman, representing shareholders in securities class actions brought under the federal securities laws and in state court actions involving claims of breaches of fiduciary duties by corporate directors.

Mr. Block graduated *cum laude* from the State University of New York at Albany in 1983 and received his J.D. in 1986 from Brooklyn Law School, where he finished in the top 10 percent of his class.

Mr. Block is admitted to practice law in the states of New York and Massachusetts, as well as the U.S. Districts Courts of Massachusetts, Eastern Tennessee, Northern California and Eastern and Southern New York. He is also admitted to practice in the First and Third U.S. Courts of Appeals and the U.S. Supreme Court.
